Hackworth Park home to new older children's play area

Funding was secured by Shildon Town Council to provide a new older children's play area in Hackworth Park from Section 106 funds held by Durham County Council.

Following consultation with young people to identify their choice of play equipment, work started on the new play area in May by HAGS SMP and from the rubble of the old site the new concept emerged with work being completed and the area opened for all to enjoy.

Further work is taking place to upgrade certain paths within the play area along with the addition of picnic tables and bins to enhance the experience for parents, grandparents and families visiting the area.

Town Mayor and County Councillor Trish Pemberton visited the site to try out the new equipment and said 'This is a fantastic addition to the park area with new innovative equipment which will keep children occupied whilst stretching their imagination, helping to keep them fit and providing a welcoming area for them to come and play

Mayor of Shildon, Cllr Trish Pemberton celebrates the installation of the new play equipment in Hackworth Park.

GUERRILLA GARDENING WITH SHILDON ALIVE

Shildon Alive - A St John's Church Project secured funding to deliver 2016 Guerrilla Gardening sessions with the support of volunteers and Shildon Town Council staff.

The Guerrilla Gardening project has worked with over 600 children and young people aged 2-16 this year from all Shildon Schools.

These sessions have taken place in schools, Hackworth Park, Furnace Pit Community Garden and St Johns Church grounds.

You may have been lucky on your travels around Shildon to see the children and young people contributing to improving the town for everyone. They have planted up troughs on Surtees Way, newly planted the flower beds by the tennis courts, or your eye may have been caught by the attractive planting as you enter the Rest House at Hackworth Park.

As well as all the planting, the children and young people have been litter-picking, helping to keep Hackworth Park, Toddlers Play Area and Older Children's Play Area clean and tidy for everyone.

Kath Regan, Shildon Town Council's Community Development Worker would like to say a big thank you to Shildon Alive, the children and young people and the dedicated volunteers and staff who have been involved with this very worthwhile project.

It is great to see everyone having an opportunity to try new things, learning how to grow but, best of all, making a difference where they live.

We are bursting at the seams with FREE activities for the WHOLE FAMILY this Summer holiday. We have a variety of 'Crazy Craft' sessions both in NEWTON AYCLIFFE and SHILDON. Come and get crafty with our artists and see how you can create something fabulous with simple everyday objects.

Also on offer is our 'Star of the Show' workshop, giving you the chance to direct your own film or even be the star! Work with film maker and writer Laura Degnan to recreate scenes from a well-known film with your own acting and creative direction, taking on a role as a real crew member. This was so successful last holiday that we are also previewing the final product from both sessions to create a cinematic event of wonder and discovery.

Story Makers is back by popular demand with two workshops on offer. Come and create your own mechanical puppet with Richard Agar using all sorts of tools and household objects. Anne Curtis will also be here to help you create your own digital story on our new app, designed for all ages to help you build your own stories. The brochure will be available for bookings soon so keep your eyes peeled! Activities are suitable for any age, children under 8 must be accompanied by an adult and booking is essential. Unfolding

Young Peoples Art Exhibition 2016 funded by Shildon Town Council took place at Shildon Civic Hall on Wednesday 20th July. The exhibition was attended by the Town Mayor, Trish Pemberton, who presented the children from both year 5 groups at Timothy Hackworth Primary school a prize for their 'Secret Garden' Projects. These projects were bespoke deliveries from Tutor Laura Peaker who encouraged the children from Timothy Hackworth and St. John's CofE Primary Schools to create these wonderful Secret Gardens, with each child making their own flower, bird or butterfly to include in the class 'Secret Garden'.

As well as the exhibition children were involved in creative writing workshops delivered by Laura Deagan based on their 'Secret garden' art project.

The exhibition was open to the public from 3pm until 7.00pm with many parents, young people and the public viewing the art exhibition.

The exhibition was mounted by Laura Peaker - Head of Art & Design at Sunnydale Campus, Greenfield College and Kath Regan from Shildon Town Council who both commented on the high standard of work on display this year along with the imaginative subject matter and excellent execution of their final GCSE Art submissions.
