## BEAR NECESSITIES IN HACKWORTH PARK

### If you go down to the park today your sure of a big surprise!

A newly installed Bear Chair, Toadstools and Fairy house were opened by the Town Mayor, Councillor Shirley Quinn in June (pictured above).

This was made possible by the support of Reverend David Tomlinson, St John's Church, staff and volunteers from Shildon Alive! A St John's Church Project, Shildon Town Council and, most importantly, the children from Timothy Hackworth Primary School.

Around thirty children were involved with planting up the new containers with an assortment of wildlife friendly plants to help attract bees and butterflies.

It is hoped that children, mums, dads and visitors to the park will stop and sit a while, taking a little time to listen and look at the wildlife around them. The new seating area will provide a great vantage point to see and hear the wildlife.

This new area was made possible by Shildon Alive! who successfully submitted a funding application to the Greggs Foundation, making it possible to develop this project to its conclusion. Well done to everyone who helped create this wonderful wildlife transformation for everyone to enjoy.

## SCYPAN AWARDS NIGHT

**This year's Shildon Children & Young Peoples Action Network (SCYPAN) Awards Night will take place at Shildon Civic Hall on Wednesday 18th October at 5.30pm.**

Following the success of last year, we are seeking to promote the SCYPAN Awards Night out to the community as early as we can to enable nominators as much time as possible to complete the application form.

We hope to attract more nominees and forms can be downloaded from the [www.shildon.gov.uk/scypan](http://www.shildon.gov.uk/scypan) page to make it as easy as possible to nominate.

We continue to look to attract new interest and support for the event and have been provided with trophy sponsorship by Shildon Community Safety Group who, after 17 years of providing information, advice and practical support to the community with regards to safety, are to disband. SCYPAN would like to thank all the members of Shildon Community Safety Group for their kind sponsorship, which will be in place for the next three years.

Thanks also to livin who continue to support the Awards Night with grant funding from the livin Community Regeneration Fund.

A huge thank you also to Derrick Robinson and his groups CATS & TYKES for their ongoing support and fund raising activities, which enable us to deliver this fantastic night of celebration and recognition of the diverse contribution children and young people make to our community.
